

## MISCELLANEOUS POLICIES AND BY-LAWS – SUMMARY OF CHANGES

The Miscellaneous Policies and By-Laws document had been the basis of the orienteering policies in the past. Over the last 3 years, this document has been progressively reviewed and policies repealed, replaced or updated. Listed below is a summary of the changes to the Misc Policies and the actions which have been taken to address each policy. Many of the policies which have been repealed represent schemes or initiatives which are now not undertaken by Orienteering NZ and are therefore out of date.

Please note, for those policies which are “to be replaced” or “to be included”, the wording of the Miscellaneous Policies and By-Laws will remain until the new policies or documents are approved by Council and published.
