SuperSeries Round 2

March 25 & 26 2017

Welcome

Welcome everyone to the weekend of trials for the NZL teams for the World Games, JWOC and the NZL-AUS Schools Test Match. Finding a venue for what is an essential part of the programme has proved very difficult in 2017. With the Auckland region heavily tied up with preparing for Oceania and WMOC, and with Queen's Birthday scheduled for Christchurch, there were no immediate offers to host these events. So, again, we can be grateful that Wellington OC has been prepared to act as host. I realise that this means that this is now the third time in three years that the JWOC trials have been held in the central North Island, not exactly an ideal situation – hopefully next year we can elicit offers from elsewhere in the country.

Thanks are due to Bryan Teahan, Lizzie Ingham, Alan Horn and Russell Higham, for sparing the time to help prepare maps and courses. I am grateful in particular to Bryan, for being happy to let us use part of Colonial Parklands in advance of its use in his annual Winter Classic gut-buster later in the year, and to Lizzie for lending her sprint expertise to planning not only for this weekend but also for the Sprint Relay at the Schools Test Match for which this is a trial.

There is also a welcome return to Hydrabad – first used for the APOC Relays in 1994, before most of this weekend's entrants were born. Just as it did 23 years ago, I am confident it will provide a technical and physical challenge for all.

Whatever your results and the outcome of the trials – enjoy the weekend!

Saturday 25 March: Sprint Trial

Map: Whitireia Polytechnic, Porirua

Scale: 1:3000 Contour interval: 2.5 m

Sunday 26 March: Long Trial

Map: Hyderabad Refloated, Waitarere Beach

Scale: 1:10000 Contour interval: 5 m

Mapper: Malcolm Ingham

Planner: Malcolm Ingham

Controller: Russell Higham

Terrain: Sand-dune pine forest with a regular track network.

Map notes: (1) Much of the forest is mapped as light green (slow run, low visibility). However, many of these areas also have (very) rotting thinnings on the ground, making these blocks both technically and physically tough.

(2) Most areas of white and wide green stripes (slow run, good visibility) are blocks which have been thinned over the last few years. The distinction between white and green stripes is largely a result of how recent the thinning has been, with areas where thinning was longer ago being generally much more runnable.

(3) The late arrival of summer in the Horowhenua has meant that some areas of wide green stripes have seen a recent explosion in leafy undergrowth. Although very visible this does not change the runnability.

(4) In some areas there are remnants of old logging tracks. Only those that are very distinct over a significant distance have been mapped.

(5) Be aware that unlike many sand-dune maps, the contour interval is 5m. This is to allow for some very steep-sided dunes where 2.5m contours would run into each other.

(6) There is an area of Out of Bounds marked in the forest. This is where Horowhenua District Council spray sewage. The western part of this area has no obvious boundary on the ground. Please take care to avoid this area.

Directions: Take the turning to Waitarere Beach from SH1, north of Levin. Travel through Waitarere Beach village and turn left on the last road (Rua Avenue) before the sea. Do not obstruct driveways.

Event Centre: The event centre is at the end of Rua Avenue. The finish is in the forest approximately 200 m away.

Toilets: There will be no toilets at the event centre. There are public toilets at both Waitarere Domain and Waitarere Surf Life Saving Club.

Start: There is a walk of approximately 1.2 km to the start. From the end of Rua Avenue take the track west, out on to the beach. Follow the beach south for approximately 1 km, and then follow tapes/signs back into the forest.

Starts: From 10.30am.

Courses:

Course	Classes	Length (km)	Climb (m)	No of controls
1	WG/SuperSeries Men M20E (JWOC)	9.30	300	22
2	WG/SuperSeries Women W20E (JWOC)	6.57	225	16
3	Senior Boys, Senior Girls	4.94	180	14
4	Junior Boys, Junior Girls	3.05	110	10

Map change: Course 1 has a map change. Please leave the first map in the box provided and take a copy of the second map.

Public Courses: As this is also a WOA OY event, a full range of courses will be on offer after approximately 1130.
