Information for mapping tender

Tender opens	Sunday 21 July 2019
Tender closes	Sunday 4 August 2019
Date the map needs to be completed by	31 October 2019 for technical review by Wellington Orienteering Club, with any final amendments completed in November.
Location of map	This map is located on the coast 110km north of Wellington. Access is through the township of Waiterere.
Use of the map	This map will be used for the Middle Distance for the New Zealand National Championships in 2020.
Area for mapping	<p>This is an old map that needs a major update. It is a mixture of old and new pine trees with some very intricate contour detail on the coastal strip closest to the beach.</p> <ul style="list-style-type: none">• Remap the area 1.7sqkm with new lidar.• Join the new map with the existing map on the south border. <p>An image of the area is below with a further breakdown of runnability and visibility based on forest block and includes rough lidar contours.</p>
Mapping specifications	<p>Map drawn to ISSOM 2019, mapped at 1:10,000. Contour interval 2.5m The map should be drawn in OCAD and given to Wellington Orienteering Club in OCAD v11 and OCAD 2018 by 31 October 2019.</p>
Available data	Lidar contours are available
Quote	<p>Please list your estimated costs for fieldwork, cartography, travel and accommodation on separate lines and send to Sarah O'Sullivan (president@wellingtonorienteering.org.nz) with any other information you feel is relevant.</p>

NW Osgiliath
 Audit done June 2019
 Scale 1:7500
 LiDAR overlay @ 2.5m contours

Total Area: 1.71 sq km

A large proportion of this area will need to be remapped as previous mapping (if any) wasn't lidar based.

Red areas 0.11 sq km

Green Areas: 1.1 sq km

Yellow Areas: 0.5 sq km
