

Orienteeing New Zealand Covid 19 Protection Framework/Traffic Light System - effective Friday 25th March

Level summary	Overview	ONZ Recommendations with Vaccination Certificates	ONZ Recommendations <u>without</u> Vaccination Certificates until 11:59pm on 4th April when vaccine certificates stop being mandated.
<p style="font-size: 24pt; font-weight: bold; margin: 0;">GREEN</p>  <p>Green is when there are some COVID-19 cases in the community, and sporadic imported cases. Community transmission will be limited and COVID-19 hospitalisations will be at a manageable level.</p>	<p>Mandatory requirements</p> <ul style="list-style-type: none"> Stay home and adhere to the MOE guidelines if you have Covid-19 or are a household contact of someone that does. 	<p>General</p> <ul style="list-style-type: none"> There are no requirements for QR Codes or mandatory record keeping. Ensure good sanitisation practices through providing hand sanitisers and sanitising areas where transmission could occur (eg toilets, registration, finish area etc) <p>Outdoors & Indoors</p> <ul style="list-style-type: none"> There are no event size limits or facemask requirements 	<p>General</p> <ul style="list-style-type: none"> There are no requirements for QR Codes or mandatory record keeping. Ensure good sanitisation practices through providing hand sanitisers and sanitising areas where transmission could occur (eg toilets, registration, finish area etc) Participants bring their own water <p>Outdoors & Indoors</p> <ul style="list-style-type: none"> Limit of 100 people able to gather
<p style="font-size: 24pt; font-weight: bold; margin: 0;">ORANGE</p>  <p>At Orange, there will be increasing community transmission that is putting pressure on our health system. The whole health system will focus its resources, but can continue to manage primary care, public health, and hospitals.</p>	<p>Mandatory requirements</p> <ul style="list-style-type: none"> Stay home and adhere to the MOE guidelines if you have Covid-19 or are a household contact of someone that does. 	<p>General</p> <ul style="list-style-type: none"> There are no requirements for QR Codes or mandatory record keeping. Ensure good sanitisation practices through providing hand sanitisers and sanitising areas where transmission could occur (eg toilets, registration, finish area etc) <p>Outdoors</p> <ul style="list-style-type: none"> There are no size event limits or facemask requirements. <p>Indoors</p> <ul style="list-style-type: none"> There are no event size limits. Facemasks are still required in indoor settings. 	<p>General</p> <ul style="list-style-type: none"> There are no requirements for QR Codes or mandatory record keeping. Ensure good sanitisation practices through providing hand sanitisers and sanitising areas where transmission could occur (eg toilets, registration, finish area etc) Participants bring their own water <p>Outdoors & Indoors</p> <ul style="list-style-type: none"> Limit of 50 people able to gather
<p style="font-size: 24pt; font-weight: bold; margin: 0;">RED</p>  <p>At Red, action will need to be taken to protect both at-risk people and protect our health system from an unsustainable number of hospitalisations.</p>	<p>Mandatory requirements</p> <ul style="list-style-type: none"> Stay home and adhere to the MOE guidelines if you have Covid-19 or are a household contact of someone that does. 	<p>General</p> <ul style="list-style-type: none"> There are no requirements for QR Codes or mandatory record keeping. Ensure good sanitisation practices through providing hand sanitisers and sanitising areas where transmission could occur (eg toilets, registration, finish area etc) <p>Outdoors</p> <ul style="list-style-type: none"> There are no event size limits or facemask requirements. <p>Indoors</p> <ul style="list-style-type: none"> Indoor capacity limits are 200 people based on an area of at least 100sqm. Facemarks are still required in indoor settings. 	<p>General</p> <ul style="list-style-type: none"> There are no requirements for QR Codes or mandatory record keeping. Ensure good sanitisation practices through providing hand sanitisers and sanitising areas where transmission could occur (eg toilets, registration, finish area etc) Participants bring their own water <p>Outdoors & Indoors</p> <ul style="list-style-type: none"> Limit of 25 people able to gather
