10 Item for discussion (Note: this is not a remit)
On behalf of the South Island Club Forum (held 24 November 2007), Peninsula and Plains Orienteers submit that major events, such as the NZ Championships (foot-o) and the New Zealand Secondary School Championships, be held in the South Island on a three-year rotation.

As one third (35% in 2007) of national membership is in the South Island clubs, it seems appropriate that the South Island should host major events on an event cycle that reflects this membership proportion.
